Reference: Our Letter SHC61-9031-217, dated September 11, 1961

Dear Jim:

Request formal contractual relief of the specifications and schedule mentioned in reference letter.

I would also like to advise you that we will be unable to meet, as a result of the situations we have discussed and the incorporation in the specification changes, the schedule for submission of the final report on October 1. We would like relief from this schedule until November 1, 1961.

Very truly yours,
